Correction Re:
Bariatric Surgical Practice and Patient Care 2016;11(1):3–5

In the March 2016 issue of Bariatric Surgical Practice and Patient Care [2016;11(1):3–5], in the article entitled, “Biliopancreatic Diversion Revisited: Health-Related Quality of Life Outcomes of Biliary Pancreatic with Duodenal Switch” by Khandalavala, BN et al., the name of the third author was published with a typographical error. The author’s name was incorrectly listed as Maya Nirmalaj, but the correct spelling is Maya Nirmalraj.

The authors sincerely regret this error.
