Cremer et al. (2012)\textsuperscript{14} \quad \text{Non-research article}

Dahmen et al. (2008)\textsuperscript{15} \quad \text{Clinical guidelines}

Dalbeth and So (2010)\textsuperscript{16} \quad \text{Non-research article}

Daly et al. (1997)\textsuperscript{17} \quad \text{Wrong population}

Daltroy and Liang (1988)\textsuperscript{18} \quad \text{Non-research article}

Dao and Tho (2015)\textsuperscript{19} \quad \text{Non-research article}

Dessein et al. (2016)\textsuperscript{20} \quad \text{Non-research article}

Fenske et al. (2002)\textsuperscript{21} \quad \text{Wrong population}

Feuerstein and Harrington (2006)\textsuperscript{22} \quad \text{Non-research article}

Fields (1992)\textsuperscript{23} \quad \text{Non-research article}

Fleurence (2007)\textsuperscript{24} \quad \text{No recommendations for research priorities}

Freburger and Carey (2010)\textsuperscript{25} \quad \text{No recommendations for research priorities}

Garrett et al. (1989)\textsuperscript{26} \quad \text{Non-research article}

Goldstein et al. (2011)\textsuperscript{27} \quad \text{Wrong population}

Guerry et al. (2012)\textsuperscript{28} \quad \text{Non-research article}
Haas (2000)\textsuperscript{29}  Non-research article
Hagen et al. (2009)\textsuperscript{30}  Non-research article
Hand et al. (2011)\textsuperscript{31}  Wrong population
Harrington (1994)\textsuperscript{32}  Wrong population
Harrington and Calvert (1996)\textsuperscript{33}  Wrong population
Hawke et al. (1997)\textsuperscript{34}  No recommendations for research priorities
Hitch and Lhuede (2015)\textsuperscript{35}  Wrong population
Hunter (2011)\textsuperscript{36}  Non-research article
Hunter and Marin-Pena (2016)\textsuperscript{37}  Non-research article
Iagnocco et al. (2014)\textsuperscript{38}  Non-research article
Institute of Medicine (2009)\textsuperscript{39}  Clinical Guidelines
Iversen (2005)\textsuperscript{40}  Non-research article
Iversen and Petersson (2006)\textsuperscript{41}  Non-research article
Jo et al. (2015)\textsuperscript{42}  No recommendations for research priorities
Karras et al. (2016)\textsuperscript{43}  Non-research article
Katz (2015) Non-research article
Keller (2001) Wrong population
Kennedy and Jacobson (2011) Non-research article
Kent (2007) Non-research article
Kiely et al. (2009) No recommendations for research priorities
Klopenberg et al. (2015) Clinical guidelines
Kuchuk et al. (2014) Non-research article
Lane et al. (2011) Clinical guidelines
Lawrence and Meeker (2006) Not primary source
Lawrence (1990) Non-research article
Li (2005) Non-research article
Liang et al. (1991) No recommendations for research priorities
Mackenzie et al. (2017) Wrong population
Marras et al. (2009) Non-research article
Massardo et al. (2009) Clinical guidelines
